Highchart Statistics for RavenNuke

2012-07-26 00:01:00 by codewarrior

Now available, Highchart Statistics for RavenNuke™. For those not familiar with Highcharts, it is a charting library written in pure JavaScript, offering an easy way of adding interactive charts to your web site or web application. Highcharts currently supports line, spline, area, areaspline, column, bar, pie and scatter chart types.
